23. Consideration of Major Site and Development Plan Application for Wilson Sand Mine:

(a) Planning Commission Report

(b) Public Works' Analysis and Response

ACTION TAKEN: After hearing public testimony, Board withdrew its site and development plan application. Motion passed unanimously to direct staff to re-submit a revised application when ready to do so, evaluating proposals such as one submitted by Commissioner Joanos or others as appropriate, and take immediate steps to solve problems the neighborhood currently faces because of mining operations of a private contractor currently in progress, such as dust, noise, speeding trucks, and fencing for a 5-acre county-owned parcel. Motion also passed unanimously to immediately impose a 25-mph speed limit on Tower Road. Board asked that a letter be written over the Chairperson's signature to the Sheriff requesting speed monitors after the signs are posted.

STAFF: Public Works - Willett
